

Problems Installing the .Net Framework for Remark Web Survey 4

Article Number: 106 | Rating: Unrated | Last Updated: Fri, Aug 15, 2014 at 9:22 AM

Some users have informed us that the Adobe Update Manager can interfere with software installations during the .NET portion of the installation of Remark Web Survey 4.

If this is happening to you, please close the Adobe Update Manager, and all applications including virus scanning programs, before retrying the installation.
